

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF OREGON

ROBIN HOLMES,

Civil No. 07-719-HU

Plaintiff,

v.

ORDER

MICHAEL J. ASTRUE,
Commissioner of Social Security,

Defendant.

MARSH, Judge.

Magistrate Judge Dennis J. Hubel filed his Findings and Recommendation on February 15, 2008. The matter is now before me. See 28 U.S.C. § 636(b)(1)(B) and Fed. R. Civ P. 72(b). No objections have been timely filed. This relieves me of my obligation to give the factual findings de novo review. See §636(b)(1)(C); Simpson v. Lear Astronics Corp., 77 F.3d 1170, 1174-5 (9th Cir. 1996). Having reviewed the legal principles de novo, I find no error.

Accordingly, I ADOPT Magistrate Judge Hubel's Findings and

Recommendation #13. The Commissioner's final decision is AFFIRMED.

IT IS SO ORDERED.

DATED this 14 day of April, 2008.
